PURPOSE

As a women's ministry, one of our goals is to: "Encourage genuine and discipling relationships and friendships among women." This closely correlates with the church's upcoming emphasis on small group discipleship in 2023.

This fall we will be giving the women a "sneak preview" into key elements of these discipleship groups. Our hope is that as we train ourselves in foundational spiritual disciplines and practices, we will feel prepared to unite with the church's vision in the new year.

METHOD

We will be reading through the books of Galatians and Ephesians and completing **HEAR journals**, a key building block of the discipleship groups envisioned for 2023.

We suggest you read through the whole book (Galatians or Ephesians) in its entirety once between every meeting, and then focus the rest of your time on the assigned chapters. You will journal to record what God is teaching you and how He is working in your heart through His Word. Sharing these journals will be central to our time together.

WHAT TO EXPECT

We will meet every other Thursday from 6:30 - 8:00 pm for a time of study, prayer, and fellowship. At each meeting you can expect:

- A short devotional by Women's Ministry Leadership
- Time to study and share with your small group
- Prayer and accountability

RESOURCES

Leaders will be utilizing some key resources/commentaries to prepare for our biweekly time together. We encourage you to take advantage of these resources as well. (Click on the links below.)

Help Me Teach the Bible | Podcast
Hosted by Nancie Guthrie, skilled Bible teachers walk through best practices of teaching specific Bible books.

EPHESIANS 4:15-16

"...speaking the truth in love, we are to grow up in every way into him who is the head, into Christ, from whom the whole body, joined and held together by every joint with which it is equipped, when each part is working properly, makes the body grow so that it builds itself up in love."
